

## Clarity, Confidence, and Support Through Every Financial Decision

Divorce involves some of the biggest financial decisions you may ever make. As a **Certified Divorce Financial Analyst**®, I help you understand your options clearly so you can make informed choices and feel more in control throughout the process.

I guide you through the financial side of divorce by helping you:

- Understand what your assets mean for your future
- See how different settlement choices affect your long-term stability
- Create realistic budgets for during and after divorce
- Prepare for mediation or attorney meetings with confidence
- Get organized and reduce stress around financial paperwork

My goal is to help you feel calm, informed, and supported.

### How I Support You

- **Financial Clarity**  
I break down complex financial information into easy-to-understand explanations so you always know what's at stake.
- **Future-Focused Planning**  
Together, we explore the long-term impact of decisions—housing, retirement, support payments, and more.
- **Fair, Informed Decision-Making**  
I help you evaluate settlement options with clear side-by-side comparisons so you can choose what's right for you.
- **Confidence in Mediation or With Your Attorney**  
You'll feel prepared and supported, with organized documents and a clear understanding of your financial picture.

### What We Cover Together

- Assets & debts
- Income & cash flow
- Retirement accounts & pensions
- Real estate decisions
- Support needs and expectations
- Lifestyle planning post-divorce
