

Harbour Bridge Wealth Management Advisors Announces the Addition of Jonathan Eskridge, Eric Eskridge, and Thomas Musso

Chatham, NJ - Harbour Bridge Wealth Management Advisors, a leading financial advisory practice founded in 2004 by Timothy Erday and affiliated with Wells Fargo Advisors Financial Network, is pleased to announce the addition of Managing Director Jonathan Eskridge, Managing Director Eric Eskridge, and Registered Client Associate Thomas Musso to its growing team.

The strategic addition marks another significant milestone for Harbour Bridge as the practice celebrates over 22 years of continued growth and success in 2026.

Jonathan Eskridge, a seasoned financial advisor with decades of experience, is joined by his son, Eric Eskridge, who has been advising clients since 2015. Together, they have built a highly respected practice focused on delivering comprehensive wealth management strategies to individuals and families. The team joins Harbour Bridge from UBS, where they developed a strong reputation for disciplined advice and long-term client relationships.

Thomas Musso supports the team, further enhancing the group's ability to deliver tailored investment planning and comprehensive financial solutions.

The team will primarily operate out of Harbour Bridge's new Chatham NJ location in addition to opening a new satellite location in the Sarasota, FL market, its first office on the west coast of Florida.

"Jonathan, Eric, and Thomas are an exceptional fit for our practice," said Timothy Erday, Founder of Harbour Bridge Wealth Management Advisors. "We are so excited to be able to partner with them, as they share our commitment to putting clients first and delivering thoughtful customized advice. Their addition reflects the continued momentum we are seeing across the business in our journey to help elevate the support and operational infrastructure of dynamic financial advisors, who are looking to expand their service offering and work alongside an incredible team of operational professionals."

The addition of the Eskridge's to Harbour Bridge Wealth Management Advisors increases the practice's assets under management to approximately \$1.7 billion, reinforcing its position as a premier destination for both advisors and clients seeking a higher standard of service.

In addition to advisor growth, Harbour bridge has continued to invest in its infrastructure, including expanding its footprint and enhancing resources to support both clients and advisors.

Harbour Bridge Wealth Management Advisors has built an industry leading platform for advisors seeking supported independence, offering the tools, flexibility, and support needed to elevate the client experience while growing their practice.
