Exclusive Conference Hosts Elite Gathering of Nation's Pre-eminent Financial Advisors and Industry Decision Makers

ORLANDO (September 12, 2012)—Daniel M Huffman, CFP®, Managing Director – Investment Officer and Branch Manager of the Ashtabula Wells Fargo Advisors office attended the eighth-annual *Barron's Winner's Circle Top Advisors Summit*, hosted by *Barron's* magazine to promote best practices in the industry and the value of advice to the investing public. The invitation-only conference was held at Waldorf Astoria, September 12-14 in Orlando, FL.

58 of the Top 100 Financial Advisors in the U.S., as ranked and published in *Barron's* April 16, 2012 issue, were in attendance. This annual rating is based on the previous year's assets under management, revenue generated for the advisors' firms, and the quality of the advisors' practices. Investment performance isn't an explicit factor because clients have varied goals and risk tolerances. Self-completed questionnaire was used for rating. This rating is not related to the quality of the investment advice and based solely on the disclosed criteria. The top 100 are comprised of advisors from major security firms and independent operations.

This exclusive conference is designed to promote best practices and generate new ideas across the industry. Attendees conducted workshops led by the Top 100 Financial Advisors that explored current issues from business development ideas, managing high-net-worth accounts and families to portfolio management and retirement planning.
