*The Barron’s Top 1000 Advisors rankings are based on data provided by thousands of advisors. Factors included in the rankings were assets under management, revenue produced for the firm, regulatory record, length of service, quality of practice and client retention.

** The Forbes Best in Sate Wealth Advisors ranking algorithm is based on industry experience, interviews, compliance records, assets under management, revenue and other criteria by SHOOK Research, LLC, which does not receive compensation from the advisors or their firms in exchange for placement on a ranking. Investment performance is not a criterion.
