Insurance products are offered through nonbank insurance agency affiliates of Wells Fargo & Company and are underwritten by unaffiliated insurance companies. This is not, in any way, intended as an invitation to replace your existing coverage. Such an exchange is often not suitable due to such factors as surrender charges on your existing policy, the surrender charge period on the new policy, transaction costs associated with the exchange, the values of the new policy versus the old policy, and the various fees and expenses associated with the new product. Therefore, replacing an existing policy should only be considered after a careful evaluation of these factors as well as a thorough review of your existing coverage.

Wells Fargo & Company and its affiliates do not provide legal or tax advice. Please consult your tax and legal advisors to determine how this general information may apply to your own specific situation.
