How Our Team Helps You

We work as a team so you always get the right support, at the right time.

Your Financial Advisors: Jan Tymesen & Doug Rupiper

Your advisor leads the relationship. They know your goals, provide investment guidance and financial recommendations, and help make decisions about your overall financial strategy.

Your Registered Client Associate: Tricia "Trish" Jutras

This team member is securities registered and helps with investment-related account activity. She works closely with your advisor to help carry out changes, place trades when needed, and assist with time-sensitive requests.

Your Client Associate: Christina Long

This role helps with everyday needs like paperwork, account updates, scheduling meetings, and general questions. Their goal is to make sure things are handled smoothly and efficiently.

In short:

You can reach out to any of us — we'll make sure your question gets to the right person and is taken care of timely.
