

Enroll for online account access

Depending on your browser and computer settings, it may be helpful to clear your cache and cookies for enrollment.

- 1 Visit wellsfargoadvisors.com/signup.
- 2 Enter your account information (no dashes) and follow the steps to verify your identity.*
- 3 Provide your email address and create a username and password.
- 4 Open the "Please complete your Wells Fargo Online® enrollment" email in your inbox and select **Complete My Enrollment**.
- 5 Sign on with your username and password to review the Wells Fargo ESIGN Consent and Online Access Agreement.
- 6 Review the exchange subscriber agreements for access to securities information and real-time quotes.
- 7 To complete your online enrollment, set your account document delivery preferences.

*If a debit card has been issued for any of your Wells Fargo accounts, you'll be asked to verify your identity by entering your PIN for the issued debit card. If you don't remember your PIN, contact us for enrollment assistance.

For enrollment assistance, contact Wells Fargo Advisors online support at **1-877-879-2495**.

For future logins, sign on at wellsfargoadvisors.com or from the *Wells Fargo Mobile*® app.
